The Maison Dominique is a chalet from 1600, pleasantly immersed in the green, isolated and exclusively reserved for those who want to run away from the daily chaos. We have created a "slow" environment, to give value to time, intimacy, discretion and exclusivity. Six rooms, all different one from each other. Every room has its own peculiarities and personality. Love and passion is in every detail, here nothing is left to chance. Because staying at the Maison, feels like home.
